THE BLI WAY

OUR ACADEMIC DEPARTMENT

BLI teachers are all qualified, experienced and motivated professionals with a passion for language instruction and dedicated to the needs of every single student.

OUR METHOD

All our teachers have received extensive training in the modern Communicative Method of Language Learning:

- ▶ designing student centered lessons
- ▶ maximizing opportunities in the classroom to practice the language you are learning
- ▶ focusing on communicative goals and incorporating all language skills
- ▶ connecting the language to real world situations and realistic contexts
- ▶ using the latest technologies and teaching tools

OUR STANDARDS

Teaching standards and professional development are important to us and are set through the following:

- ▶ regular student evaluations
- ▶ teaching workshops
- ▶ classroom observations

YOUR MOTIVATION

It is essential for us to keep our students motivated and focused on their goals. Here at BLI you will benefit from the following:

- ▶ monthly progress reports from your teacher
- ▶ weekly tests and daily homework assignments
- ▶ marks for classroom participation
- ▶ free academic counseling sessions with the Director of Studies, helping you to set personal language goals, and following up on your progress

A group of students are gathered in a hallway. In the background, a large mural of a smiling man with dark hair, wearing a blue shirt, is visible. He has his right arm raised. To the left, a student in a dark hoodie with 'HOLLISTER' in yellow letters and a red beanie looks towards the camera. In the center, a female student in a grey long-sleeved shirt with a small graphic and blue jeans is laughing. Other students are partially visible around them.

'The staff and the teachers are really friendly and helpful. They are always ready to help you and make you feel at home'

Brigitte Zerpa · 25 · Venezuela

Student Counseling

Your well-being is very important to us. Our counseling department is always present to offer support to our students in many ways.

From the moment you first contact us to the moment you go back to your country, your counselor will be there to address all of your concerns, answer your specific questions, and find solutions to any problems you might encounter. Our door is always open.

BLI will be with you all the way. You will never feel alone!

Finding the right place to live plays a very important role in the success of your language studies in Canada. No matter what type of accommodation you select, it will be a very enriching experience that will lend itself to your academic life at BLI.

BLI understands the importance of feeling at home when you are away from home.

We offer a wide variety of options, depending on your specific needs and criteria.

Housing Services

Homestay Accommodation

A home away from home

Living with a host family is a great and unique way to immerse yourself in the cultures and languages of Canada, for it allows you to live a family experience.

All our host families are carefully selected and have to meet BLI quality criteria. We ensure that all host family houses meet safety and hygiene standards.

All BLI homestay families live within a reasonable distance from the school.

BLI offers 4 types of homestay accommodation

- Full-board (3 meals per day)
- Half-board (2 meals per day · Breakfast & Dinner)
- Full-board shared (3 meals per day)*
- Half-board shared (2 meals per day)*

*Homestay shared accommodation is only available for two people traveling together

Student Residences

Living like a local

Residence accommodation is an option for students who enjoy the independence and privacy of living on their own.

You will have a private or shared room, according to your specific request(s).

Depending on the option chosen, kitchen, bath and laundry facilities may be shared with other students.

*Some of our options are only available during summer.

Alternative accommodation

Freedom and comfort

If you are looking for something outside of the traditional homestay or student residence options, we have a variety of alternatives to offer you, including student houses, shared housing, furnished apartments and studios.

These are great options if you require more privacy and autonomy.

We will help you

PLACE TO LIVE**

Activity Program

BLI is a school that takes learning beyond the classroom.

We offer a fantastic social program and we will encourage you to involve yourself as much as possible, to experience life to the fullest in Canada and see all the attractions these 2 cities have to offer. You will treasure incredible experiences you will remember your entire life.

Our activity program offers you the opportunity to discover and explore the city where you are studying. Relax and spend time with your new international friends while you continue practising your English or French.

DAILY AFTER CLASS ACTIVITIES

SOCIAL EVENTS

WEEKEND TOURS

Learn, explore, visit, live, experiment, connect, make friends, and have fun!

Whether you choose to come to BLI during the spring, summer, fall or winter, Montreal and Quebec have a lot of fun and interesting activities to offer.

Other Services

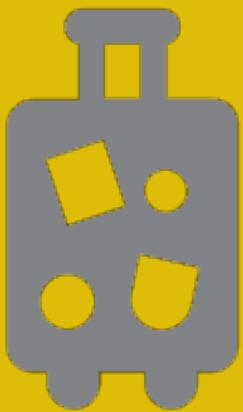

MEDICAL INSURANCE

Medical insurance is mandatory for all international students coming to Canada. When you register for any of our courses you can make a request and BLI will provide you with emergency medical insurance that covers and protects you during your stay and will give you all the information on how to use it.

VISA & CAQ SUPPORT

If you are planning to study at BLI for longer than six months, there are two documents you must have: a Canadian Study Permit and the CAQ (Quebec Acceptance Certificate). If this is the case you have to apply for the CAQ first. After getting your CAQ (this takes 3-6 weeks) you can start the process of obtaining your Canadian Study Permit.

AIRPORT TRANSFERS

At BLI, we want your experience abroad to be pleasant from the very first moment you arrive in Canada. We offer a personalized pick-up service. You will be picked up by one of our representatives who will make sure you arrive at your selected accommodation safely.

'The additional services BLI offers make the whole process of studying abroad really easy. I didn't have to worry about anything when I decided to study in Canada'

Language Learning from Start to Finish

We want your experience with us to be as rich and rewarding as possible, helping you to achieve a language level you can be proud of!

1

Start at the right level

Start at the right level

Before beginning your lessons, you will complete both written and oral placement tests designed to evaluate your reading, writing, speaking, listening, vocabulary and grammar levels. Our aim is for every student to start in the right level and 'hit the ground running'.

2

Measure your progression

Monthly Progress Reports

Every month, students receive detailed progress reports from their teacher. This will help you understand where you have been improving, which aspect of the language you need to focus on next, and some tips on how to maximize your progress outside of class.

3

Get the help you need

Free Monthly Tutorials

For long term students, there is a free monthly tutorial with the Director of Studies. This is designed to maintain motivation by setting short, medium and long term goals for your language learning.

4

Evaluate your improvement

Comprehensive Evaluations

Your progress in class will be measured through a variety of testing methods. From weekly grammar and vocabulary exams, to continuous skills assessment based on your participation and performance in classroom activities.

5

See how you succeed

Leaving Reports

Your language learning doesn't end when you have completed your course! Once you have finished, you will be presented with a record of your grades, your certificate, and a personalized report from your teacher giving you advice on what to do and where to go next.

General English and French

Part time 18 lessons

The part time program gives you the opportunity to review and practice all aspects of language learning, covering all four skills (reading, writing, speaking and listening), grammar and vocabulary. The approach is communicative and the classes are designed to be dynamic and engaging.

Full time 24 lessons

As well as covering the four skills (reading, writing, speaking and listening), grammar and vocabulary in a student centered and communicative setting, you will have the chance to develop both your fluency and accuracy through daily workshops designed to reinforce and practice the language you studied in the morning.

Intensive 30 lessons

For students who want to take their language learning to the next level, this option builds on the daily skills and language focus with an opportunity to develop in specific areas. Through a combination of Task Based Learning and traditional skills lessons, you will be a part of a class with a specific goal in mind where all areas of language use are activated naturally and effectively.

Super Intensive 35 lessons

Super Intensive classes go even further! Here you will work closely with your teacher in smaller groups to help you reach your goals outside of the school environment. You might be learning Transferable Skills such as how to deliver an effective and engaging presentation, or furthering your career by studying International Business English or Exam Preparation; with the Super Intensive package, you are learning more than simply English!

Part Time PM 18 lessons

Perfect for the working professional with evenings free to improve their language skills. This option will give you an opportunity to review and practice all aspects of language learning, covering all four skills (reading, writing, speaking and listening), grammar and vocabulary. The approach is very communicative and the classes are designed to be dynamic and engaging.

Intensive PM 28 lessons

For students who have a full schedule in the daytime and who want to take their language learning to the next level, this option builds on the skills and language focus with an opportunity to develop in specific areas. Through a combination of Task Based Learning and traditional skills lessons, you will be a part of a class with a specific goal in mind where all areas of language use are activated naturally and effectively.

Class Description

Communicative Grammar

In this class you will explore grammar concepts appropriate for your level; always in context and through interesting themes. The approach is communicative and student centered, there are lots of opportunities to discover and practice the target language.

Integrated Skills

In this class you will have the opportunity to practice the four language skills: listening, speaking, reading and writing. Grammar and vocabulary are integrated into every lesson and the method of evaluation is Continuous Assessment.

Communication Workshop

Here you will have the opportunity to put everything you have been learning in the first two blocks into practice! This class is focused on communication and fluency, and the activities are designed to be fun and dynamic.

Specific Skills

This class focuses on one specific skill (listening, speaking, reading or writing) through project work and Task Based Learning. You can practice your writing skills in producing a school newspaper, or develop your listening abilities by exploring the world or radio and podcasts.

Electives

Here is an opportunity to learn English for Specific Purposes. You could help your professional prospects by taking International Business English, or gain transferable Skills such as how to give an effective presentation!

Elementary and High School

Study in an authentic Canadian environment!

BLI offers programs for elementary and high school students who wish to study abroad for short and long term. Our programs are offered in English, French, or you can go for a more challenging experience and take a Bilingual program.

You will integrate into an elementary or secondary school, live with a Canadian family and have the opportunity to join BLI's exciting activities.

Our schools are safe, clean, welcoming, nurturing, and affordable with dedicated teachers who strive to offer the highest quality education possible.

This program is ideal for groups of students who want to experience education in Canada in a short period of time. It can be customized with a wide variety of evening activities.

College and University Pathway Programs

Canada boasts world class universities and award winning colleges that offer certificates and diplomas in every discipline you can think of. Take advantage of BLI's close partnership with a growing number of excellent institutions.

BLI Services

Application & Registration:

BLI will help you with the college and university enrollment process and you will be able to obtain conditional acceptance letters to apply for your study visas in your countries of origin. Application to most of our partner colleges and universities without having to take an entry language proficiency test such as the TOEFL, IELTS, or DELF should be available for most students.

Conditional acceptance letter

Our partner schools will issue a conditional letter of acceptance to students admitted to the BLI Pathway Program

Visa and CAQ Assistance

We will guide you through your CAQ application and study permit free of charge.

Placement Assistance

Our Pathways Coordinator will assist you in the application process and help you prepare all the required documents to submit to schools.
